

BS Deposit Cashguard Series

BURTONSAFES
THE SURE DEFENCE

2 Year Warranty

A range deposit safes designed to be fitted into commercial vehicles

Features

- Ideal for use in vans/lorries on delivery rounds
- A choice of deposit methods and trap sizes to suit your requirements
- Anti-fishing devices on each model
- Base plates attach to the vehicle. The main safe is then locked into the base plate
- The safe has two locks—one for the base plate and one for the main safe door.
- The two locks are keyed to differ. This allows the driver/depot to remove the safe from the vehicle without having access to the cash
- Heavy duty, auto locking boltwork (not Mini Teller)
- Key locking as standard
- Cashguard has a V-Trap deposit system
- The Junior and Mini Cashguard have top loading letterbox slots
- Cashguard and Junior cashguard are constructed from 3mm solid steel plate
- Mini Cashguard is constructed from 1.2mm solid steel plate
