BURTONSAFES
THE SURE DEFENCE

2 Year Warranty

Underfloor safes are space saving & offer the added protection of concealment

Features

- Easily concealed
- Designed to be set in re-enforced concrete
- Ideal for the home, small businesses, petrol forecourts and bookmakers
- 10mm thick solid steel door
- Drill protection of the locking area
- Relocking devise secures the door in case of attack
- Flock lined to protect your valuables
- 200mm square door facilitates easy access and good visibility
- A deposit version is available for commercial premises. This allows staff to deposit cash without having access to the safe keys
- High security key lock as standard
- Mechanical combination or electronic locking available on request *
- Burton Safes recommend the use of a re-enforcement kit when fitting underfloor safes

Please note that due to their location underfloor safes can be susceptible to water damage. Burton Safes will not guarantee any electronic locks used on underfloor safes if the damage is caused by water ingress.
