

10-Handheld Device Static USB Charging Cabinet

for smartphones, mobile phones and other handheld USB devices up to 7" - Horizontal

- **Charges 10 Devices** up to 7" screen size - smartphones, mobile phones and handheld USB devices (including protective cases)
- **Individual Device Compartments** store devices horizontally within a compact footprint
- **Delivers high-speed charge** at the optimum rate
- **Never Over Charges** as it detects when the device battery is full providing trickle charge
- **Equivalent to 10 x 12W Charges** saving you space and power consumption, replacing extension cables and power sockets with one cable into the wall
- **Maximum Securit & Safety** with lock that includes a 6-plate lever activation system and separate lockable power compartment
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

Inset door handles prevent protruding parts eliminating breakages.

Key locking system front and rear, tested by an independent locksmith, includes 6 plate lever activation system and double-sided key with two sets of teeth, making the lock more durable, impossible to pick and substantially increasing security.

Devices sit horizontally within individual compartments to enable the devices to be picked up and returned easily.

IEC socket with 1.8m / 6ft power cord designed to snap out if pulled away from the wall to prevent damage.

Weight bearing non-marking feet are fitted to the base of the unit to ensure air circulation and easy cleaning.

Cables feed from the side power compartment to the front device compartment via individual cable clip portholes, keeping cables organised and damage free.

Silent ventilation system includes side and rear vents to keep devices cool with constant air circulation without the need for a noisy fan that can also spread germs.

Individual velcro cable fasteners secure cables in place, organised and free from damage.

	Code	Number of devices can hold	Unit Dimensions	Device Compartment Size
Lyte 10 Single Door Mobile Phone USB	LYT10SDMPUSB	10	W225 x D440 x H360 mm 8.9" x 17.3" x 14.2"	W130 x D205 x T30mm 5.1" x 8" x 1.2"

About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage trolleys and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our trolleys are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are, our products are sure to make a difference.
