

32-Device AC Charging Cabinet for Laptops, Tablets & Chromebooks up to 15.6" - Horizontal

- **Charges 32 Devices** up to 15.6" screen size – Chromebooks, laptops and tablets (including protective cases), POS devices, tooling and other chargeable equipment
- **Individual Device Compartments** store devices horizontally within a compact footprint
- **Fast & Silent Charging** ensures devices are ready to go when you need them with no noisy fan
- **Maximum Security & Safety** with lock that includes a 6 plate lever activation system and separate lockable power compartment
- **Built to Last** with high density materials, components and construction processes to withstand the busiest environments such as education, healthcare, retail, industrial and commercial
- **Support for Life** with Lifetime Warranty (5 years electrical), ships fully assembled

Inset door handles prevent protruding parts eliminating breakages.

Key locking system, tested by an independent locksmith, 6 plate lever activation system and double-sided key with two sets of teeth, making the lock more durable, impossible to pick and substantially increasing security.

Devices sit horizontally within roomy compartments to protect the device with space for protective cases.

Weight bearing non-marking feet are fitted to the base of the unit to ensure air circulation and easy cleaning.

Cable clip channels located in the side of each device storage shelf to ensure cable is locked into position.

Both front and rear door fully open 270° which gives full access to both device and power compartments.

Silent ventilation system includes floor and rear vents to keep devices cool with constant air circulation without the need for a noisy fan that can also spread germs.

Each AC holder takes 2 x AC chargers adaptors to secure cables in place, organised and free from damage with ventilation to prevent overheating. AC pockets manufactured from flexible ABS to allow users to bend open the pocket allowing easy access during set-up and maintenance.

Charges all devices simultaneously. Power 7 Management System manages the power consumption to ensure power surges do not occur and all devices charge efficiently. Power 7 features a sophisticated timer allowing three different charge schedules a day, 7-days a week. Power strips turn on one at a time, 1.5 seconds apart to provide inrush surge protection.

Device adaptors plug into 4 x 8-way power strips designed and manufactured in-house. Sockets accommodate larger adaptors and plugs without blocking adjacent outlets.

IEC socket with 1.8m / 6ft power cord designed to snap out if pulled away from the wall to prevent damage.

	Code	Number of devices can hold	Unit Dimensions	Device Compartment Size
Lyte 32 Double Door Laptop Metal Shelf	LYT32DDLAPMSP7	32	W1087 x D560 x H715 mm 42" x 22" x 28.2"	W420 x D300 x T40 mm 16.5" x 11.8" x 1.6"

About LapCabby

LapCabby has been developing innovative products that our customers love for the last 20 years.

We make portable storage trolleys and charging solutions for laptops, tablets, e-readers, Chromebooks and netbooks.

It's the smart way to keep tech safe, charged, and in one secure place.

We've included some really ingenious features to ensure our products do everything you need them to - and a little more besides.

Our trolleys are used everywhere, from Education, Health Sector, Local and State Government and Corporate, so whatever you are, our products are sure to make a difference.
