

Phoenix HS2020 Series

Condor

The Phoenix Condor 20 are all designed to provide extreme security protection for both domestic and business use.

- **Security Protection** - Tested to the prestigious European Grade II Security standard (EN1143-1, Trezor Test s.r.o Certified) giving cash cover of £17,500 or Valuables cover of £175,000*
- **Key Locking** - Fitted with high security double bitted VDS Class I keylock.
- **Electronic Lock** - Fitted with high security VDS class I (SECU SELO-A) electronic lock with time delay function, Euro Grade II.
- **Fixing** - Ready prepared for floor fixing, with fixing bolts for concrete supplied.
- **Construction** - Double wall construction with profiled infill, anti drill plates and re-locker protection for the door provide a safe of great strength.
- **Colour** - Finished in a high quality scratch resistant paint RAL9003.

Shown with optional key rack

*Ratings are approximate only and may vary due to area conditions and location. Please check with your underwriter.

Body

The inner and outer bodies are constructed from high grade steel electrically welded together to form one solid unit with minimum thickness of 60mm. The space between the inner and outer body contains advanced anti-penetration materials.

Door

The door is constructed with double steel walls containing a unique Anti Penetration material in total, forming a minimum of 100mm barrier of defensive strength.

Boltwork

All sizes have 3 way moving espagnolette boltwork with 30mm bolts securing into the top and bottom door frame. In addition the two hinge dog bolts at the rear give added strength and provide a clean cut, modern appearance disguising its strength.

Locking

The entire locking area is covered by hardened manganese steel anti drill plates and a "live" anti explosive relocking device, which is permanently on guard to protect against even the most determined attack.

Model	External Dimensions HxWxD	Internal Dimensions HxWxD	Door swing / door handle depth	Weight	Capacity	No. of shelves	Packaged Dimensions & Weight
HS2021K/HS2021E	440 x 440 x 460mm	320 x 320 x 295mm	370mm / 60mm	77 kgs	30 ltr	1	560 x 480 x 530mm / 79kg
