

ROBUR

2 Hour Fireproof Filing Cabinets

- High level protection from fire
- UL Tested and Certified
- Fire & explosive heat resistant
- Fire Test: UL 72 Class 350

- Inter-drawer insulation
- Light grey scratch resistant finish
- Drawer lock and 2 position catch
- Suitable for A4 or legal documents

Robur UL Fireproof Filing Cabinets are built to last and provide a high level of fire resistance. Each drawer is insulated separately, so once a drawer is closed, it provides a full level of protection even if other drawers are accidentally left open.

Tested and certified by the Underwriters Laboratory of America, these filing cabinets protect your documents from temperatures in excess of 1000° C. They are also tested for their ability to withstand sudden extreme heating without rupturing.

A single key lock is fitted as standard to each cabinet. This can be used to open or lock any combination of drawers at once. Each drawer can store either A4 or legal documents. An A4 frame is included as standard.

A wide range of sizes are available, from compact 2 drawer models to extra-deep 4 drawer versions. All cabinets are finished in a scratch resistant light-grey powder coat which blends easily into any office environment.

Specifications

MODEL	EXTERNAL DIMENSIONS	DRAWER DIMENSIONS	DRAWERS	WEIGHT
2-2130-2	760 x 540 x 815mm (HxWxD)	265 x 385 x 660mm (HxWxD)	2	269kg
3-2144-2	1105 x 540 x 815mm (HxWxD)	265 x 385 x 660mm (HxWxD)	3	359kg
